# Patriot Oaks Academy PTO

June 1, 2018

Hello!

As a member of the PTO at Patriot Oaks Academy I have the honor of working with the local business in and around our beautiful community of Durbin Crossing. Like all schools, Patriot Oaks Academy is committed to meeting the educational needs of all our students and preparing them to meet the challenges of the future. Developing strong partnerships among families, businesses, and community groups will help us accomplish our goals and we need your help!

The mission of Patriot Oaks Academy is to provide a quality education that focuses on academic and social growth for all our students. As a local business, you can partner with Patriot Oaks Academy to improve student achievement and help our young people meet the challenges of the future. Your company can partner with our school in many ways. Each partnership we have at Patriot Oaks Academy is unique and based on the needs, objectives and resources of the school and the partner. If you agree to partner with Patriot Oaks Academy, we would develop a relationship that would be beneficial for your company and employees, as well as our students.

Enclosed you will find information on the Patriot Oaks Academy PTO Business Partner Program and I will be glad to answer any questions you may have.

Thank you for taking the time to look over the enclosed information and for considering our request. We hope that you will agree to become a partner with Patriot Oaks Academy and join us in our efforts to continue to make our school a successful one. GO CHARGERS!

Sincerely,

Anne Pokelwaldt
